The CUPC Member-to-Member Business Directory

Who is that person sitting in the church across from me?
What does he or she do for a living?

How many times have you asked these questions?
It's great to know when members of your church family offer goods and or services in their daily lives that you could use.

A business directory appears on our church's website at www.canonsburgup.org. Just click on the “About Us” tab and select *Business Directory*. Paper versions also are available in the lobby or by contacting the church office at 724-745-0800.

Thank you for supporting our church family!
